

SWING DANCE NON-PARTICIPATION PROJECT

Description:

You will be required to complete a 2 Part (A and B) Project in order to receive full credit for not being able to participate in the Swing Dance Unit. Part A is a written analysis and Part B is a visual representation.

PART A: WRITTEN ANALYSIS (Google Slides and Google Doc)

To complete Part A, you will be required to use Google Slides and write a 2 page summary using Google Docs. **You will need to cite all of the sources that you use for this project on the bibliography pages.**

Google Slides Section:

- Title Slide with your name, period, and teacher
- Slide explaining why you were not able to participate in the unit
- Choose **2** of the following Swing Dance Styles to create the slides below (do some research to see which ones you think are the most cool, entertaining, and interesting)
 - Lindy Hop
 - East Coast Swing
 - West Coast Swing
 - Charleston
 - Jive
- Using 2-4 slides for **EACH STYLE** above, include the following in a slide:
 - Title of the Style
 - Description and History of the Style
 - Part(s) of the United States and world where this style is most commonly used
 - Types of costumes/outfits used in competition for that Style (include photos)
 - 3-5 Interesting facts about that Style
- Using 2 slides for **EACH STYLE** above, use YouTube or another internet site to choose two moves you would learn for that Style (for example, if you chose Lindy Hop, what are two moves that you would want to learn for a Lindy Hop Routine)
 - Use one slide to describe the move in your own words after analyzing it
 - Use the other slide to provide 2 different instructional videos of that move
- Using one slide for each Style, include the following:

- Who are the top dancers in the world in that Style and give details about those people
- Include a YouTube link to these dancers performing this Style in a competition
- Using one slide, cite all of your sources

Google Doc Section:

Write a 2 page (12 font/double spaced/Times Roman) paper covering the following and submit this Google Doc in Google Classroom. You will need to create a Google Doc and then submit it.

- Compare and Contrast the two Styles of Dance that you chose for the Google Slide Section
- Explain which Style, if you could choose, you would rather do and why
- The two most interesting things that you learned by doing this project and why
- Cite all sources on a separate page

PART B: VISUAL REPRESENTATION (Poster Board)

To complete Part B, you will need to use a 22" x 28" Poster Board. Smaller Poster Boards WILL NOT be accepted. Choose one of the two Styles that you did your Google Slide Presentation about.

- You must create a poster collage which shows the history, style, and culture.
- Give your poster a creative Title other than just the name of the Dance (something catchy and fun.)
- Use the internet and/or any other sources where you can find pictures, drawings and other interesting visual materials for your poster.
- Your poster MUST consist of a combination of words, pictures, and drawings that take up most of the space on the poster.

GOOD LUCK WITH THIS PROJECT!!!!1
