Swing Dance Performance Assessment

Answer all of the following questions. Please use **Red** colored font to answer all of the questions. Be sure to watch your performance multiple times before you answer these questions. Submit the assignment in Google Classroom, not in Hard Copy.

1. Use a few (3-5) sentences to explain your first impression of **you and your partner's** dance performance?

2. As part of the rubric, you were assessed on *Rhythm and on Style*. Each of these categories had a specific 5 point rubric. Read the ***Rhythm*** rubric again (it is an attachment for this assignment) in detail and then explain the grade you would have given yourself out of 5 and why? (Be specific to the criteria on the rubric)

3. Read the ***Style*** rubric again (it is an attachment for this assignment) in detail and then explain the grade you would have given yourself out of 5 and why? (Be specific to the criteria on the rubric)

4. Reflecting back on the dance unit, what were your biggest challenges? List and describe as many things as you can think of (specific moves, working with your partner, coordinating movement to music).

5. On a scale of 1-5, 1 being terrible and 5 being great, how would you rate the overall experience of working with your partner and why?

6. What could you have done to improve the overall experience if you were forced to work with this partner again?

7. After watching your performance back several times, which moves could you have improved on the most? Which moves did you seem to master?

8. Overall, on a scale of 1 (didn't really like it) to 10 (loved it), how would you rank this unit and why?

For an additional 5 points, have a parent watch your performance and then write a sport paragraph with their "reaction" (what did they think, etc.)
